A large, faint, stylized Yin-Yang symbol (Taijitu) is centered on a white background. The symbol is rendered in a light gray, almost ethereal style, with a subtle texture that gives it a three-dimensional appearance. It features the classic swirling design of the Yin-Yang, with a small white circle (Yang) in the center of the black (Yin) half and a small black circle (Yin) in the center of the white (Yang) half. The overall effect is minimalist and serene.
