Walmart says "Serious Ramifications" if Studios Hopped in Bed with Apple

submitted by [CLIFFosakaJAPAN](#) 3 hours 37 minutes ago ([via http://www.nypost.com/business...](http://www.nypost.com/business...))

His message, according to a studio exec involved in the discussions: that there would be "serious ramifications" if the studios hopped in bed with Apple. The situation between Bentonville and Hollywood has gotten so heated and so high-level that Jobs recently phoned Wal-Mart CEO Lee Scott to ask him to moderate his stance, according to a source. Astronaut Collapses During Ceremony

submitted by [elebrio](#) 2 hours 52 minutes ago (via <http://breitbart.com/news/2006...>)

An astronaut from the space shuttle Atlantis collapsed twice Friday during a welcome home ceremony, a wobbly return that officials attributed to the adjustment from 12 days at zero gravity. Piper, fifth of the six astronauts to speak, appeared to be confused before her legs buckled during her address. NASA officials and crew members braced her .. [More...](#)

British Poll: Living to 100 worth giving up sex for

submitted by [elebrio](#) 21 hours 38 minutes ago (via <http://breitbart.com/news/2006...>)

Four out of 10 Britons are willing to give up sex if that meant they would live to be 100 years old, a new survey showed. Long life at the cost of celibacy proved more popular with women than men as 48 percent of women surveyed said they would give up sex to live until 100 but only 31 percent of men agreed.
