

## Bug Report – book title overlay with body text Kobo Firmware 4.10.11655

### Introduction

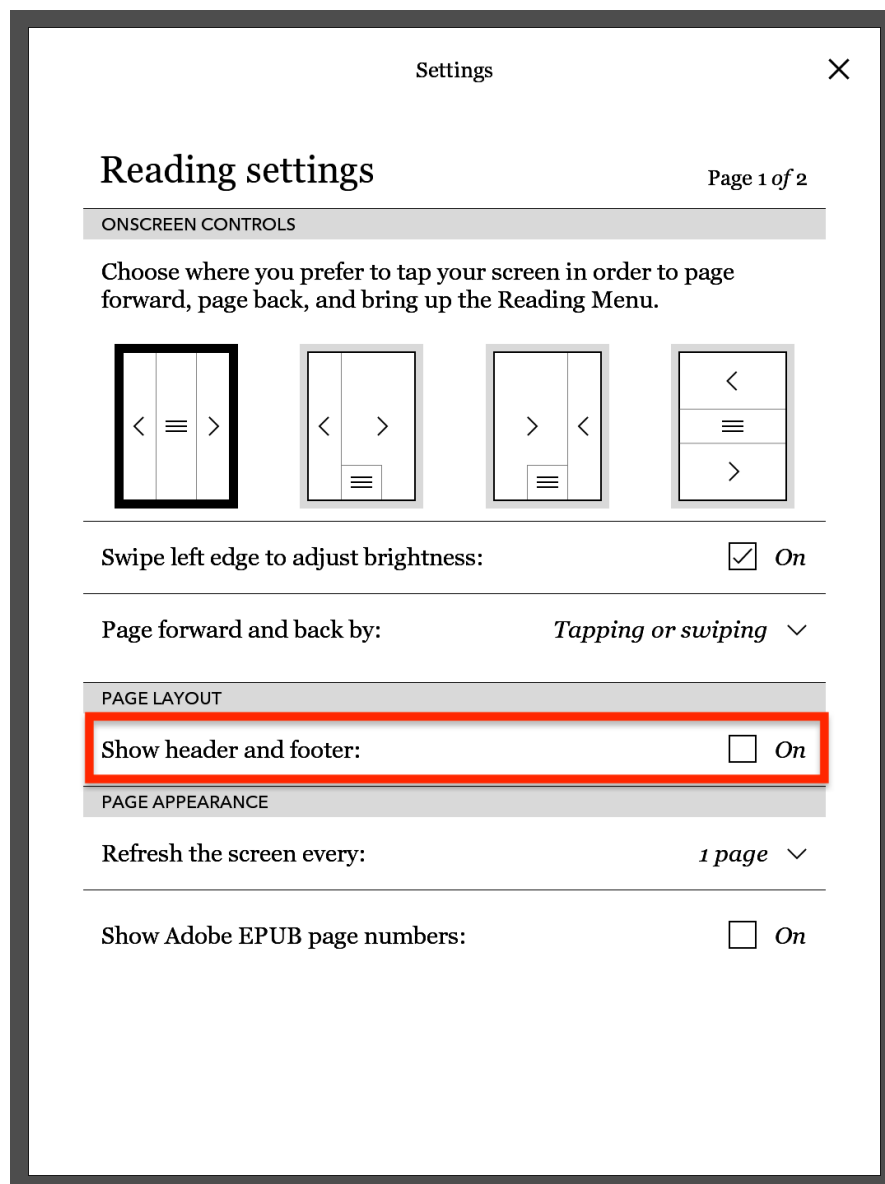

The bug has been detected on a Kobo Aura H20 Edition 2 (V1) with firmware 4.10.11655 and books in **kepub-format**. The epub-format is not affected. The bug applies to unpatched or patched firmware. Both has been tested.

It will only occur, when the reading header and footer has been disabled.

The bug appears when using bookmarks. The book title will appear overlayed with the body text.

### Description

1. Disable „Show header and footer“ in the reading settings.

2. Open a book in kepub-format and tap on the top right corner to add a bookmark.

gation when necessary of the lives of his ancestors to times the allotted span. Unlike in antiquity, since it stretches far, very far beyond “Deucalion’s Flood” and Adam’s Paradise.

Angling, despite wide ramifications, has perhaps stamped its stock more vividly and has bred truer to original type than its elder brother Hunting. The variance of a repeating rifle from what some hold to be their common first sire, a sharpened pole, is larger and more marked than that of our most up-to-date Rod.

The riddle, as in other cases of disputed succession, of identifying the first real head of the family or the earliest begetter of the race is rendered more complex by wide geographical dispersion. It is possibly insoluble.

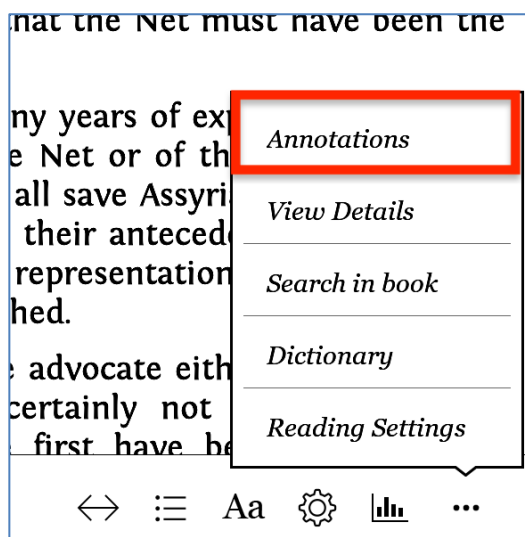

Nevertheless to this labour of love I now address myself.

The question of priority of the implement used for catching fish has been often moot, sometimes acute, for, in Walton’s words, “former times have had their Disquisitions about it.”

How did the earliest fisherman secure his prey? Was it by means of the Spear, under which term I include harpoons and barbed fishing spears of any kind, the Net, or the Line? None of these has lacked its champions, of whom the Line has attracted the fewest, the Spear the most.

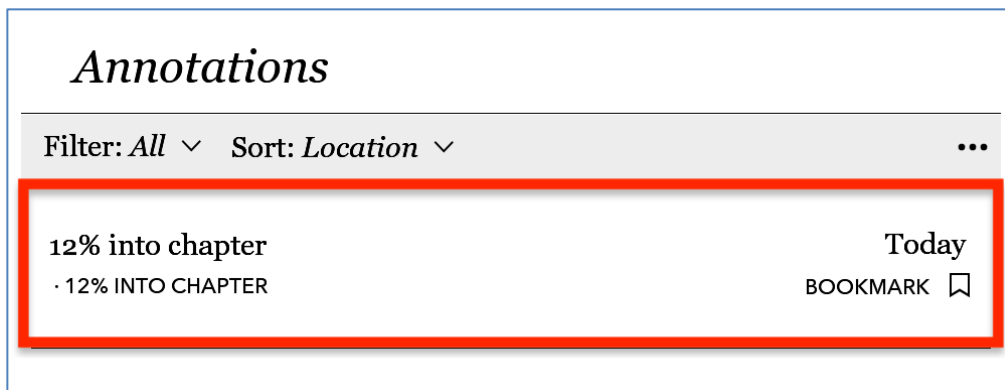

Uncertainty as to the order of precedence was not really remarkable. We lacked even as late as the beginning of the last century both the data as to Egyptian and Assyrian fishing, which the discovery of the key to the
