Frequently Asked Questions

How can I connect to the Internet?
The enTourage eDGe has built-in WiFi, and will have 3G in a future model. You can also use an Ethernet-to-USB adaptor to connect to a landline.

What kind of apps will work?
Most Android (Google phone) apps will work on the enTourage eDGe.

How can I type?
Use the keyboard on the touchscreen, or connect your own by USB or Bluetooth.

Where can I get e-books?
E-books are available at enTouragEeDGe.com, but the e-reader will open ePub or PDF files from any source (if DRM allows).

What if I need more than 3GB of memory?
In addition to the internal memory, you can open files from a USB drive or SD card. You can also store files on our server for free.

Can I use it left-handed?
Yes. Its rotating screens and 360˚ hinge offer many configuration options.
