If I Had A Car.

#

If I had a car

I could go really far.

But which should I get
that I wouldn't regret?

#

There are gas and electric
from which I can pick,

but which should I use?

It's so hard to choose.

#

Electric is cleaner

and fits my demeanour.

But its range isn't far,

not as far as a car.

Which should I use?

It's so hard to choose.

#

A gas car's a bit cheaper,

but a fill-up's a weeper.

Which should I use?

It's so hard to choose.

#

I know what I'll do

to end this issue.

I'll trade-in my trike

on a brand new bike.

#

I can peddle real far,

as far as a car.

I'll save lots of money

like a wise little bunny.

With the money I'm saving
I can use the bus when it's raining.

#

Yes, that's what I'll do
to end this issue.

I'll get a bike
and call it Mike.

Or perhaps Frankie or Johnny or John,

Oh no! This could go on and on.

I've created a problem
with this little poem.

I think I'll have a nap,

like a nice little chap.

The End.
