 How do I attach a webpage to an e-book?

Article

To attach a web page to an e-book:

1. Use the browser on the tablet screen to open a web page
2. Press the menu button, then select more. Select 'attach current page to book'
3. On the reader screen, drag your stylus over the words you want to associate with the attachment.

5. A browser symbol will appear next to the words.  Click the symbol to view the attachment
