 How do I attach a video to an e-book?

### Article

1. Locate a video in the library
2. Press and hold on the name of the desired file
3. A fan menu appears with several options. Slide your finger over to select **attach**.
4. On the reader screen, open the tools menu.
5. Use the stylus to select the word/phrase you want to associate with the attachment.
6. The video attachment symbol will now appear next to the text  Click on the symbol to view the attachment.

This same method can also be used to attach audio files, journals, images, office documents, and books.
