COFFEE HOUSE

Sketch: Gordon Brown resurfaces

Lloyd Evans

Gordon Brown lumbered back into parliament this evening to speak in an adjournment debate at 7.10 pm. Even before dinner he managed to look both over-fed and a bit exhausted.... [Continue reading](#)

Britain's accidental EU exit

James Forsyth

If Britain leaves the European Union, historians will say that 30 June 2012 was when the great exit began. That day, David Cameron was due to write an article for... [Read more](#)

America's strategic stupidity

Andrew J.

Bacevich

Every few months, America's four-star admirals and generals gather at a military base not far from Washington to participate in what General Martin E. Dempsey, Joint Chiefs of Staff chairman,... [Read more](#)
